# Miami University Salary Roster

Effective October 1, 2008

## NOTES

### 1. General

- An employee may have more than one appointment or job. Each job is shown on a separate line, with the total salary for all jobs in the right hand column.
- The column headed “FTE” shows the fraction of full-time employment assigned to each job.

### 2. Department Listing

- Employees with more than one job are listed in each department in which they hold a job.
- Every job held by an employee is included with each listing. The salaries for the jobs add to the total salary for the individual.
- Jobs held outside of the department are indicated by shading.
- Departments are grouped by campus and then by the college or school or administrative office, alphabetically by department name.
